

BroadNet Technologies s.a.r.l

Bringing more than two decades of experience as an SMS provider and aggregator, BroadNet stands out as a leading global business messaging solutions provider and proud member of GSMA. Our array of services encompasses **Bulk SMS, HLR Lookup, SMS Firewall, A2P SMS, SMSC Gateway**, and others—all aligned with industry standards and technical frameworks.

Moreover, we offer an extensive range of messaging solutions, including:

- 2FA SMS, API Mobile Wallet integration
- White-Label SMS Solution
- Dynamic SMS landing Pages
- SMS for IoT devices
- AI/ML Solutions for SMS

Starting from 2003, Broadnet has achieved consistent expansion, positioning itself as a premier telecommunications firm in SMS-related services. Catering to over 60,000 contented clients worldwide, Broadnet is now recognized as a key player in the industry. Additionally, Broadnet boasts memberships in three highly influential communities: **GLF**, **CC**, and **MEF**.
